

2016 WMSGGA Budget Chair Report

Appears we will make a slight profit again this year, but we all must promote our Tuesday tournaments. Numbers have been low at some sites so increasing our entries would be advantageous.

There seems to be results from courses who have numerous ladies playing, and we all should strive to get them involved.

We have increased our junior play, but remember they are our guests. It is imperative to get more juniors involved since they are our future.

Many thanks to our loyal folks, and hope you will continue to play on Tuesdays.

Respectfully submitted
Helen Plourd
