

## WMSGA 2017

# Maine Women's Amateur

The Maine Women's Amateur was played at Martindale Country Club on July 24, 25, & 26. We had 70 participants, including nine junior girls. The weather cooperated for the most part, but it wasn't much fun checking in to the hotel in the pouring rain. However, each day did seem to get a little better than the last. Michele Davis of the SMWGA was the chair of this year's event. She did an amazing job with the help she had.

Thanks go to Golf & Ski Warehouse for their continued support of women's golf in Maine. Not only are they our major sponsor, but they have once again donated \$25 store gift cards, some of which we used as door prizes at the annual meeting. We also got a big boost from Bangor Savings Bank, so thanks to them too. I do have to say that this year's course volunteers can't hold a candle to our own Penobscot Valley ladies from last year. Just sayin'!

Our share of the profit from the Amateur is \$2,734.40. Next year's Amateur will be held at Rockland, so make your plan early and come participate. It really is lots of fun in spite of the hype and nervousness that comes with it.

Respectfully submitted
