

2013 wmsga.org Report

Greetings,

In January I began a complete face lift on our website. My goal was to make items easier to find as well as making it more appealing to the eye. As soon as that was done I began the task of making sure all information on the site was up-to-date. With the help of Trudy and Jean this was accomplished without any hitches.

In 2013 I introduced two new items; WMSGGA Message Board and a downloadable 2013 schedule. I hope you found both items beneficial and easy to use. The only issue that continues to cause problems is the inattention by members when filling out on-line application. You need to make sure that each box has the correct indicated information, your "email address" is not your last name and your "name" is not just your first name.

I still have more ideas and I would love to hear ideas from our membership. So if you have any suggestions or questions please feel free to email them to me at chacole@roadrunner.com. I hope that in the near future that the WMSGGA executives will consider doing away with the "pre-pay" accounts and convert to using PayPal.

Thanks for all your comments and praises,

Sincerely,
Charlotte Cole
