

President's Report to the Members

WMSGGA Annual Meeting
Martindale Country Club
Tuesday, September 23, 2014

Hello fellow golfers and members of WMSGGA,

We are fast approaching the end of the golf season in Maine. I haven't had much time yet to reflect upon my first year in office – all I can say with certainty is that it has been very busy! At this point, I'd like to give thanks to the people who keep all the moving parts of the WMSGGA machinery in motion:

- Our Members: without you, we have no WMSGGA; the organization depends upon your participation and support; thank you for coming out to play and for providing feedback on your experiences
- Our Club Reps: you are the folks who make sure the weekly events run smoothly and are enjoyable for the players, and who get the scorecards back to Jean in a timely manner!
- Our Tournament Scheduler and Webmaster Charlotte Cole: you have done a great job with both responsibilities, making many improvements this year
- Our Committee Chairs: you ladies have handled many important tasks and details critical to the operation and character of WMSGGA; you are too modest to make much noise about your accomplishments, but your contributions are crucial to our stability and success as an organization
- Our major Tournament Chairs: Helen Plourd, Gail Gleason, Dale Hannon, Debbie Murphy, Denise Hennessey; thanks to their leadership and organization, all were very successful events with great attendance and excellent competition
- The Executive Board: you ladies have provided guidance, feedback, correction, encouragement, leadership, and decisive action, all of which I have learned from and appreciate very much
- Trudy Dorval: I know you were looking forward to relaxing this year after serving your term as President, and yet you agreed to remain on the board as a past president; a special thanks to you for all your work on the MWA and Admin selection team; I am truly grateful for all your support and advice this year
- Administrative Assistant Jean Young: you have been a dedicated employee for 12 years, providing excellent service and support to a half-dozen presidents and E Boards and several hundred members; you have always been available to take calls and you answer emails within hours; the quality of your work has been top-notch. WMSGGA is going to miss you, we wish you the very best as you enter another phase of retirement, and we hope to see you out on the golf course playing instead of waiting in the clubhouse for our scorecards!

Thank you all for a great season.

Sincerely,
Micki Meggison
