

WMSGGA Budget Report 2011

So far the 2011 golfing season has been successful, and the finances for WMSGGA are ahead with a surplus. Without the weekly continued support of numerous members, we would not be in this position.

The committee would like to thank all the women who participate in the weekly skins game and the raffle. The revenues from these have been an easy way to bring in extra funds for our financial obligations.

The weather for the golf season has been a challenge at times, but collectively WMSGGA members braved the elements to make our budget a healthy one. Another variable facing our organization is the economy, but once again members chose to make our weekly and special tourneys a priority.

It is imperative that the committee thank all of you for your dedication, and without your support our job would be more difficult.

Thanks,

Helen Plourd, Chair
Maddie Kilmister
Trudy Dorval
Shirley Kile
