

2014-2015 Hospitality Report for the Annual Meeting: September 22, 2015

Hospitality has had seventeen requests for cards and words from the WMSGGA for various reasons during this 2014-2015 season. Hospitality acknowledges its members for illness, loss, accomplishments, appreciation, and whatever else members deem necessary. However, it is up to members to notify the hospitality chair in order for members to be recognized. As I mentioned, seventeen of our members received some word from WMSGGA, but I am sure there are more of you out there that would have welcomed a card of support. Members must contact the chair for this to occur.

I would also like to recommend that the hospitality chair send weekly cards or notes to the hosting golf courses to show our appreciation for having us use their facility.

Respectfully submitted,

Robin Ashe
Hospitality Chair
