

WMSGGA 2017

Hospitality

Hospitality had three requests for cards and words from WMSGGA for various reasons during the 2017 season...

- Vickie Lindquist: March 21, 2017 – *death of her mother*
- Trudy Dorval: March 21, 2017 – *death of her sister*
- Claudette Amoroso: August 8, 2017 – *death of her husband*

Hospitality acknowledges its members for illness, loss, accomplishments, appreciations, and whatever else members deem necessary. However, it is up to members to notify the hospitality chair in order for members to be recognized. As I mentioned, three of our members received some words from WMSGGA, but I am sure there are more of you out there that would have welcomed a card of support. So please, members, contact the hospitality chair with your news so these important communications can occur.
