

Tri-State 2014 St. Johnsbury, VT

Tri-State 2014 will go down in history as a memorable one! It certainly was not an event for golfers who become distraught playing in a rain storm that no golfing clothing would nix from becoming soak.

I commend my team for staying focused, and overcoming the vexing elements that no one wants to repeat.

Despite the weather conditions, the team managed to secure second place which is encouraging for next year.

Vermont once again took home the honors with a team total of 157, ME's total was 130 and NH had 118. St. Johnsbury Golf Club welcomed us with a hospitality that was above reproach.

Next year NH will host the championship on June 15th, 16th and 17th at Oaks Links Golf Club. If you are interested in applying to compete save the dates and get your application in.

Many thanks to all the team members who graciously endured the elements. You all made me proud to be your captain. Watch out foes Maine is coming on with a vengeance in 2015.

Helen D. Plourd, Captain
