

## **2016 WMSGA Tournament Chairs Report**

As we near the end of another golfing season, we look back on what has happened this summer. Great weather, great golf, and good times with friends. This summer saw Tri-State at the Samoset... couldn't be a better venue, Metropolitan at Sugarloaf, Maine amateur at Penobscot Valley... with many juniors showing their stuff. Lots of old favorites and Saturday tournaments. All in all, a good season.

We have been working hard on next year's schedule. Trying to add some new places and returning to old favorites. We have decided not to schedule a site opposite the seniors, because of low numbers (only 12 played this year). Saturday tournaments will be looked at, and we will probably have a least one next year. We tried a new format for annual meeting and will assess its success and make changes according to feedback.

Next year's schedule has Augusta Country Club for the Metropolitan, Martindale for the amateur, Rockland for the senior championship, and Waterville for the annual meeting.

We will offer a preview of that schedule at annual meeting... with changes still possible. Any feedback you have about the schedule would be greatly appreciated. When the schedule has been finalized, it will be posted on the website.

*Respectfully submitted*  
*Sue Wootton & Birdie Pearse*
