

2014 Tournament Report

Our 2014 schedule was full of great events for all our members to enjoy. Charlotte spent many hours working closely with club manager/Pros to give WMSGGA such a schedule. Her plan was to have an event each week which was within an hour or so of Portland and the other within an hour or so of Bangor. This cuts down on travel costs and helps increase participation.

We still are not having the participation numbers at 9 hole course which is a concern. The 2 Ball Best Ball events are still drawing well with the exception of the August event that was played opposite the Senior Championship. Do we need this event?

In May Charlotte began working on the 2015 schedule which will be released as a "tentative" schedule at the annual meeting. Once WMSGGA has received all the event confirmations for the course we will release the final 2015 version in the spring.

Sincerely,

Micki Meggison and Charlotte Cole
