

2016 Samoset June 13, 14 and 15

Tri-State 2015 Oaks Golf Links
Somersworth, New Hampshire
Helen D. Plourd, Captain

Hosting Tri-State this year was New Hampshire at the Oaks Golf Links course in Somersworth. The weather was stellar and the hospitality was enjoyed by all.

Even though Maine was not successful as far as capturing the championship, some of the women experienced performances that were memorable. These women are Marie Cates 7.75, Kathy Crawford 7.75, Ruth Colucci 7.25, Norma Michaud, Micki Meggison 6.75, Linda Holmes 6, Helen Plourd 5.5, Meriby Sweet 5.5, and Traci Beier 5 points. Good job, ladies! Also, Linda MacNeil and Sherrie Thomas won the alternate prizes.

The final totals were Vermont 145, New Hampshire 140, and Maine 120. Vermont continues to outplay both Maine and New Hampshire, but next year at the Samoset they may be nixing another win? Time will tell!

I encourage anyone who would like to apply for the team to be sure to post all scores between now and next June. Also, if you go south and play, these scores must be posted. As usual, we receive a myriad of applications when the championship is hosted by Maine; therefore, I expect folks will be competing to make the team. The committee is expected to have the best team possible to represent Maine, so play and practice so you can be considered for the team. It is imperative that I thank all the women golfers who supported Maine this year. I sincerely appreciate your interest to be on the team. Some years our golfing ability is better than others, but what is most impressive to me is one's effort to play the best she can on any given day.

May you all relish the fall for some exemplary golf and especially good health. It is my pleasure to be your captain, and I plan on doing some research concerning statistics to enhance our scoring and winning.
